

## INFOGRAPHIC 4 EPICURIOUS PERSONALISED SKILLS WHEEL

**The EPICURIOUS Personalized Skills Wheel is a learning motivation environment with interactive educational modules associated with the Cultural and Creative Industries. The platform identifies your interests and presents the most appropriate strategies for you.**

**In the EPICURIOUS platform you can find the six topics in Cultural and Creative Industries: Music, Writing, Digital Skills & Technologies, Film & Media, Visual Arts, and Handcrafts. Study the educational content.**

**Validate your knowledge and gain a Badge for each Topic by completing the questionnaire successfully.**

**The EPICURIOUS platform was tested internally and externally by participants in the seven partner countries.**

**The platform is available in EN, GR, DE, CZ, FR, DU and PL. Create your own account using the link below and explore the EPICURIOUS Skills Wheel Platform!**
